About us

Apeksha Alloys Inn LLP is a dealer and stockist of alloy steel, die and tool steel, bright bars and non-ferrous metals, based in Bhosari, Pune. Since 2015 we have supplied tool rooms, machine shops and manufacturers across Pimpri-Chinchwad and beyond.

Our yard stocks more than twenty grades of carbon, alloy and tool steel in rounds, flats, squares, hex and bright bars, and we arrange plates, sections, stainless steel and non-ferrous metals on order. Customers get everything a job needs from one supplier, cut to the length they want on our own bandsaws.

A group company of Anucool Industrial Aids Pvt. Ltd., Bhosari.

Cutting & services

Bandsaw cutting
Rounds, flats and blocks cut to any length, from thin slices to full bars.

Gas cutting
Thick plates and blocks cut to size.

Profile cutting
Plates cut to your drawing: rings, flanges, brackets and custom shapes.

Ultrasonic testing
On request: UT-tested material, or testing at your site. Charged separately.

Mill test certificate
Chemistry and properties documented with every supply.

Delivery
To your door across Bhosari MIDC, PCMC, Chakan, Talegaon, Mumbai and more.
